

International Prophetic Words

The Word of the Lord tells us in Amos 3:7, *"Surely the Lord God does nothing, unless He reveals His secret to His servants the Prophets"* (NKJ). At Arise, we believe the Lord still speaks to his servants, the Prophets, today.

The following words are 'now' words of the Lord for the Nations of the World in 2009:

The Spirit of the Lord says, "I am orchestrating the activities that are happening globally - I am not unaware. I am calling My Church, you have work to do. Stop navel gazing and lift your focus. The war is already on. Allow Me to re-equip and retrain you. Your post is vacant right now and you are needed. There is saber rattling both in the natural and the demonic realms, but don't be fooled. They only have the power you allow them. Stay on top of this. Specifically watch Mexico, Brazil, all of Africa, France, England and the Middle East. Warfare against the enemy's plans and watch what I will do." Pat Jones

"Oh, Afghanistan, Oh, Afghanistan!" is the cry of the Lord back to His people in Afghanistan. "The enemies of God have trod upon your land illegally for eons of time and I am determined to restore My land, says the Lord. Where the evil rulers and corrupt government have made you a dry and dusty land, I am bringing the rain of My Spirit to expose and wash away the remains of their effects. The harvests of opium will fail and fail again, and I will dry up the resources of the enemies of God. Once again you will be like the land of Ophir (fruitful), famous for your wealth. Your deposits of gold will be rediscovered and your wood and precious stones will be used for My temple and My glory. You will no longer be a nation that steals, kills, and destroys, but the nation who will supply resources for the Kingdom. And for My women of Afghanistan, to the level you have been oppressed and cruelly mistreated, will I apply the level of anointing upon you to break the yoke of oppression in your land. No longer look down, look up to the mountains and see from whence your help comes from." (Psalm 121:1) Peggy Williams

The Lord says, "The cry of intercession on behalf of Mexico has risen to my throne and I am positioning my angelic hosts to be released. I am declaring war against the spirits of death, drugs and destruction that have ravaged the land. Even now I am releasing strategies to My generals and I am going to unite those with a heart for Mexico to rally the army of the Lord. My Presence is going to invade Mexico through My people and the brightness of My Glory will expose the evil that has been operating under the cover of darkness. My sword is coming down to sever the demonic network of communication that has been established and I will replace it with a divine communication system that will spread the good news of the Kingdom throughout the nation of Mexico", says the Lord. I saw Australia with a pillar of smoke, like an offering lifting into the heavens, and knew it to be an offering of worship and praise for the Lord. As the worship increases, there will be a release of a spirit of unity in the body and it will cause unheard of blessings and miracles as a tangible sign to the church world wide, that with unity comes an exponential release of his grace and mercy. I see fires of revival sweeping across Australia and sensed it will begin on the East Coast and move South and West, eventually covering all of Australia. David Gaddy

The Lord is breaking my heart for Great Britain. Where it was once said of this great country, "The sun never sets on the colonies of England", she has let down her watch and has been invaded from within. The principals upon which the nation was founded no longer seem to matter, as fear and passivity have become the rule. Even the alliance between the United States and England is in jeopardy, as English leaders have shied away from taking a stand for justice or righteousness.

The Lord says, "It is only by intense prayer and fasting that England will survive. Without returning to the spiritual foundation that was laid many centuries ago, England shall perish. The battle lines have formed, and unless her citizens pray fervently for salvation to be the rule rather than the exception, England will become a nation dominated by those of Islam faith. The Christian nations around the world must intercede for England during her period of disobedience. If not for some of the apostles and prophets who have been warring over England for many years, the nation would have already been lost. The time has come for a true leader to rise up and lead England through the latest "darkest hour."

For Israel ~ The Spirit of the Lord says, "I am strengthening my beloved land and people. Spirits of sabotage and deceit, working from within Israel's ranks, both in the military and in spiritual leaders, are coming down. I am uncovering spies who have been sent to infiltrate and relay strategy to your adversaries. Where the enemy has lain in wait to capture strategic secrets, and sown deceit and error without being discovered, now I am raising up the people I have positioned at all levels, to catch the enemy unaware, and foil his attempts to destroy from within. I am giving my people an anointing for keen, quick sensitivity to recognize mistakes of the enemy, expose his intent, and stand boldly to eradicate the intended sabotage. I am calling my remnant to action. Many will come forward with information and power under a great covering of my Divine favor. Further, as the American and Israeli troops participate together in scheduled military exercises, I will cause high level officials in both countries to form new alliances that will further solidify the relationship between them. As those alliances strengthen, my Body in Israel will rise to new levels, spies in the military will continue to be exposed, and their attempts to leak information will be nullified."

"Jakarta, Jakarta [Indonesia], I'm beckoning you to come unto Me, pursuing you day and night wooing you by My Spirit, inviting you to come under My protection and experience the provision I have for you. My heart longs for you to abandon the high places in your heart and I will bring about the change you have desperately cried out for. This change will shift the atmospheric and climate pressure; strengthen your infrastructure, preventing future perils from occurring on your soil. I am raising up my remnant that has worshiped me quietly and am placing a bullhorn in the mouths of the prophets and evangelists, as the intercessors have prayed without ceasing for such a time as this. You have entered into a new season, one of restoration and rebuilding. As you rebuild from the devastation, allow my blueprint to be carved in your heart and it will manifest in your physical structure with My seal of approval and it will stand", says the Spirit of God.

The Spirit of the Lord says, "Canada, the spirits of secularism and humanism are thick and dark. It is time to tune your ear to Me. You have sought answers for your questions everywhere else but at My feet and in My Word. I am your answer. My Word has the truths within it that you have longed for. My Spirit will sweep through this land when you lay down your own needs and desires and recognize your need of Me. I love you and desire that you be a "sheep nation." Hear and attend to this Shepherd's voice."

The Lord says, "I am causing my people to crack the code that has kept them from receiving the fullness of resources that will bring forth a forward-moving network. This network is so necessary in these last days. I will give many the same burden to pray against those that have set their minds to bring destruction to the plans I'm giving my people. There have been those that have continually gone back and forth from doing my will to doing the work of the enemy. They have been a major distraction as the volley back and forth. The prayers of the faithful ones will begin to cause a fissure that will quickly grow into the crack that will break the enemy's plan. The economy of the nations will be on the hearts of my intercessors, as well as the key strategies for the growth of my army".

The Lord is releasing a rushing, mighty wind over India and the Holy Spirit is erupting in fresh fire over this nation. The foundations of tradition and religion are crumbling as the cries for relationship and intimacy are opening the gate for revival. The five folds of ministry (apostle, prophet, pastor, evangelist, and teacher) are beginning to link arms in this country as the immaturity in the church is being challenged. A new might and power will arise and a greater reflection of the image of Christ is about to blind the ancient spirits that have denied me for so long. The truth in love is being rebroadcast from the southern regions to the northern regions so that many new sheep will come into the sheepfold of the Lord.

I prophesy to the terrorist headquarters in Afghanistan that your days are numbered. While you have been laughing at the attempts to find you calling the efforts dumb or stupid, "the laughter will be turned against you says the Lord. For I the Lord, laugh at my enemies and I am raising my strong right hand against you". The Lord says, "I created the places that you occupy and I am well able to expose you in an instant and will do just that in due season. I have given you time to change your hearts and minds, and much innocent blood has been shed. Surrender and give your hearts to me and allow my salvation to spring up", says the Lord."Put on sackcloth and ashes as they did at Nineveh with Jonah. For if you do not repent and turn from your wickedness there will be sudden destruction, and you will know that I am the Lord, the God of Abraham, Isaac and Jacob".

The Role of the Prophetic Ministry in the Church

We believe that God speaks today. There are at least five areas of prophecy by which God speaks to His people. They are the office of the prophet, prophetic preaching, prophetic presbytery, the gift of prophecy, and the spirit of prophecy. All five areas are received and encouraged by this ministry. We believe that hearing from God, both individually as members and corporately as a church, through prophecy or any other biblical means chosen by God is only one method of discerning God's will and direction. It is recognized that most of the methods of prophecy may not always be one hundred percent accurate and actions should not be taken on the basis of prophetic words alone without other confirmation. We believe that prophetic presbytery serves the purpose in the body of Christ in activating, establishing and releasing leadership.
