

## Prophetic Words for the United States

The Word of the God tells us in Amos 3:7, "Surely the Lord God does nothing, unless He reveals His secret to His servants the Prophets" (NKJ). At Arise, we believe the Lord still speaks to his servants, the Prophets, today.

The following words are 'now' words of the Lord for the United States in 2009:

The Spirit of the Lord says "I'm going to cause generational roots which have been covered up to be exposed. These roots are generational lines which go back to the beginning of this country. For My people in this land have been deprived of their generational blessings which arose from the covenants spoken long ago over America. It will begin with a holy curiosity and those with covenant ties to Me won't know why they're doing it, but they will just have to know what their spiritual roots are. Conversations around the dinner table and the family room will begin to revolve around genealogy, but an excitement will come as spiritual roots are discovered and My people find out who they are. It will be as in the time of King Josiah when the Book of the Law was discovered. The connection between the heritage and the spiritual inheritance will click into place and there will be a national plea for repentance and restoration of covenants with the Lord. One of the visible signs will be restorations of lands to God's people which have illegally fallen into the hands of the enemy." Peggy Williams

I am cutting through the red tape, the red tape the enemy has put in place to keep this nation from moving into the place I have for it among the nations--my sheep nation, full of people who've experienced Me, who hear My voice and know Me and respond to Me. As I'm cutting the red tape, I'm cutting the scales over the eyes, ears and hearts of those I've called from east, west, north and south. I'm bringing My people of this nation into a common language of understanding--shattering the long-held barriers that separate denominations, races and socio-economic differences.

I am awakening the sleeping giant. I am causing it to throw off its slumber and literally crush the head of the enemy. A righteous indignation is rising and is uniting the giant against the common foe--not flesh and blood, but spiritual powers and forces that until now have been able to do their work behind the scenes. Exposure and defeat are ahead for the enemies of God. In future months, hold nothing in this nation as sacred--let Me sift what I will sift and let remain what I leave remaining, says God. The Spirit of the Lord says, "Your prayers matter, be anxious for nothing. For the wind of My Spirit is about to blow across the United States, East to West, not normal, as a demonstration of My power. A whirlwind will sweep through and gather up those that are like-minded idolaters, those following the humanistic agenda. Some people you don't expect will be caught up in this ball of wind. Their power and influence is being blown away, no longer will their voices be 'heard', their audiences' focus will shift. This is a time, especially in New York and California, where what was supported by most as truth will dissipate and be replaced with Godly values. I am preparing your enemies for defeat even now. I am calling My righteous to arise and take advantage of these times. Ready yourself so you are prepared when the time is upon you." Pat Jones

### America the Beautiful

*America! America!  
May God thy gold refine  
Till all success be nobleness,  
And ev'ry gain divine.*

*O beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears.*

*America! America!  
God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.*

The Lord says, "America I am restoring beauty for ashes. For out of the ashes I am raising up a remnant of My people that will be on fire to see righteousness restored in this nation. The words to this song are prophetic and this is the day you will see the words manifest. I am piercing the hearts of my intercessors with passionate prayers that will break open the alabaster boxes of praise in cities across the nation. Yes, you will see those alabaster cities arise and establish altars of praise in America and surely will my grace cover you. This is a time of the "prophetic patriots" those with spiritual eyes to see the land as I intended. I am calling the soldiers of the Cross to unite and march across the land declaring and decreeing that this country is "One Nation, Under God." From sea to shining sea, from the Atlantic to the Pacific my Truth will be heralded and America the Beautiful will arise to fulfill her purpose and destiny." Debbie Lewis

America, wake up and hear the word of the Lord:

Zephaniah 1:14-18, "The great day of the Lord is near-near and coming quickly. Listen! The cry on the day of the Lord will be bitter, the shouting of the warrior there. That day will be a day of wrath, a day of distress and anguish, a day of trouble and ruin, a day of darkness and gloom, a day of clouds and blackness, a day of trumpet and battle cry against the fortified cities and against the corner towers. I will bring distress on the people and they will walk like blind men, because they have sinned against the Lord. Their blood will be poured out like dust and their entrails like filth. Neither their silver nor their gold will be able to save them on the day of the Lord's wrath. In the fire of his jealousy the whole world will be consumed, for he will make a sudden end of all who live in the earth."

I heard the Lord say that America is sleeping and has been wooed by her own thoughts and plans. The Lord is jealous over this nation and the people must wake up and take heed to the warning signs all around. The day of repentance is here because the day and the time is soon to come when everyone must give an account and must answer to the one True God almighty. Wake up, wake up, wake up! Andrea Cameron

### The Role of the Prophetic Ministry in the Church

We believe that God speaks today. There are at least five areas of prophecy by which God speaks to His people. They are the office of the prophet, prophetic preaching, prophetic presbytery, the gift of prophecy, and the spirit of prophecy. All five areas are received and encouraged by this ministry. We believe that hearing from God, both individually as members and corporately as a church, through prophecy or any other biblical means chosen by God is only one method of discerning God's will and direction. It is recognized that most of the methods of prophecy may not always be one hundred percent accurate and actions should not be taken on the basis of prophetic words alone without other confirmation. We believe that prophetic presbytery serves the purpose in the body of Christ in activating, establishing and releasing leadership.
